Battlefield Expectations

- Accomplish the mission
 - Understand the 2nd and 3rd order effects of your actions
- Mitigate risk but do not become risk adverse
- Exploit your tactical and technological advantages
 - Optimize your attached, assigned, and supporting resources
- Constantly attempt to improve your fighting position
- Regardless of whether or not assigned orders are clearly defined or ambiguous....Take charge and lead

The Power of Leadership

Closing Takeaways

- C: Control – Emotions – Self Awareness
- C: Consider – All available/relevant: Info, options, actions
- C: Communicate – Your intent, Clear and Concise
- E: Empower – Don't micromanage
- L: Lead
