 Fax: 218-983-2664

Parent/Guardian Name: _____ E.D.O.B. _____
 Address: _____
 City: _____ State: _____ Zip Code: _____
 Home/Cell number: _____ Child's DOB or Due Date: _____
 Child's Name: _____ Child's Age: _____
 Child's Wt: _____ Child's Age: _____

I understand that the car seat provided by the White Earth Public Health Services is done to help prevent injury to my child. The program offers child safety seats free of charge when the parent or guardian attends the 30-30 minute educational session and can demonstrate the correct placement of child and seat in the car.

I have been instructed and can demonstrate how to properly secure the seat and my child in the car according to manufacturer's instructions.
 I understand that it is important to use the car seat correctly on every trip and the failure to do so means that my child will not be properly protected during a crash or sudden stop.
 When the car expires, I will properly dispose it.
 I also agree not to sell this car seat.

I understand that if this seat is lost, stolen or damaged in any way, it is my responsibility to replace this seat at once or provide White Earth Public Health Services correct seat.
 White Earth Representative Tribal Council and its representatives, agents and contractors shall not assume any liability or responsibility for any damages, injury or death which may be caused by use before or release of product.
 White Earth Health Services is pleased to sell our child seats and encourage you to complete annually a Special/Annual Child Safety Seat Assessment at this time. (Document in History)
